Election/Restrictions

Response to Amendment

The reply filed on April 11, 2002 is not fully responsive to the prior Office Action because of the response did not comply with the following requirement as stated in Office action of February 26, 2002:

“Applicant is advised that a reply to this requirement must include an identification of the species that is elected consonant with this requirement, **and a listing of all claims readable thereon**, including any claims subsequently added” (emphasis added).

It is noted that for each species election applicant did in fact cite at least one claim readable thereon. However, the identified claim or claims could not be construed as a complete listing.

See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**

Prior to Applicant responding to the examiner would very much like the opportunity to discuss in a telephone interview some additional questions, comments.
